

PROJECT COMPLETION REPORT

Date: 04th MARCH 2022

Assalamu Alaikum,

We are happy to update you on a much needed Project you donated towards since Ramadan.

Alhamdulillah with your support we have completed the construction of Masjid Al Huda in Syria. The Masjid has three levels with a capacity of up to 600 worshippers. The ground floor is dedicated to the brothers, second level is dedicated to the sisters and the third level is Al Huda School with 6 classrooms that is providing education to 450 students. Before the construction of this Masjid & School the children were getting their education in tents. Through your support our brother and sisters in Syria have a place to offer their daily prayers and children have a secure place to access quality education, Alhamdulillah.

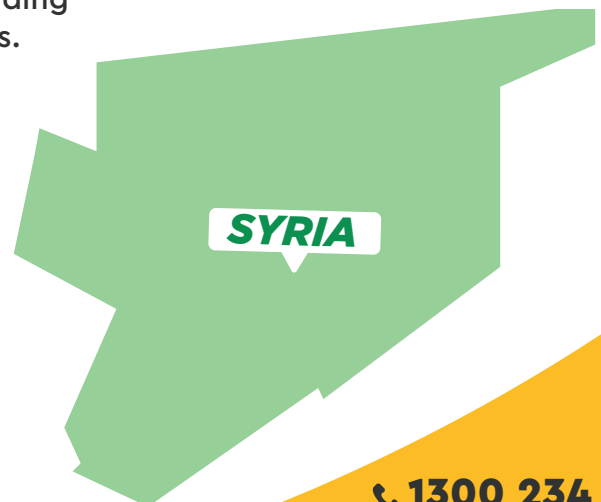

An amazing Sadaqah Jariyah for all the donors who contributed, SubhanAllah.
