

WATER STATION REPORT

Assalamu Alaikum,

Alhamdulillah, we are pleased to inform you that the Water Station project in Bangladesh has been successfully completed, thanks to your generous donation. Your contribution has provided clean, safe drinking water to families in need, transforming their lives and fulfilling a vital Islamic duty of helping those less fortunate.

This well now serves an entire village, offering a reliable source of water and easing the hardship of water scarcity. The blessings of your kindness will bring hope and relief to those in desperate need, Insha'Allah.

Your Completed Water Station Report:

COUNTRY BANGLADESH	DISTRICT MYMENSINGH
VILLAGE DHOBAURA	BENEFICIARIES OVER 1450
DEPTH 100 METERS	TYPE WATER STATION

We sincerely thank you for your support, and we pray that Allah (SWT) multiplies your reward in this life and the Hereafter. Your Sadaqa has truly been a source of Barakah, changing the lives of many in need.
