

BANGLADESH MASJID KHADIJAH

Assalamu Alaikum,

With the grace of Allah (SWT) and your unwavering support, we are pleased to announce the completion of Masjid Khadijah. This blessed space, built with your generous donations, now stands as a house of worship and a sanctuary for the community to come together in the remembrance of Allah (SWT).

The Masjid will be a place where the five daily prayers are established, where the Qur'an is recited and taught, and where the community can find spiritual guidance and comfort. Insha'Allah, this house of Allah will serve as a source of Barakah for generations to come.
